Preschool information is almost ready....watch your mailbox for a calendar and exciting info your child can expect this fall!

### NEW STAFF

I want to take a minute to introduce the new faces at TAPPD. Miss Jessica (AKA Jessica Hemphill) has a history of snugglin' up kids in Tawas'. She worked at Stepping Stones Childcare center where she led up lesson planning and stirring up lots of fun. Next, is Miss Sarah. (AKA Sarah Haire) Sarah has a special degree in working with ADHD and dyslexic children. I look forward to her heading up a super tutoring program in our after school program. Last but certainly not least is Nicole Eklund. Nicole is the speech pathologist at Clara Bolen Elementary. She also coaches and plays hockey at the Huron Hockey Association. Each person offers a great perspective when it comes to loving and creating the optimal and fun learning environment for your child(ren).

## The Summer is flying by.....

It seems as if I was just worrying if more kids would enroll and here we are busting at the seams! We have shared some wacky wild water days and crazy cooking concoctions and I am loving every minute of it. Thank-you for helping make this program such a HUGE success.

Your ideas, comments, and patience through the process of starting this preschool and childcare center have been a bigger blessing than I can ever express in words. I can't tell you enough how much each of your children have touched my heart!

### V.B.S

The first week of August will be our vacation Bible school program. Even if your child(ren) do not attend all week they are welcome to attend the program from 9-1 on the other days. The county Fair theme is sure to be a hit with all ages!

Please let me know if your child will be attending on days he or she is not scheduled at TAPPD. I would also like to extend an invitation to the church's annual picnic. Mark your calendars for

August 19 @ 6pm.

Enjoy crazy yard games and some down-home music. Hamburgers, hot dogs and drinks provided, please bring your own place setting and dish to pass.

## Patty's Kountry Kitchen

The kids have been raving about the dynamite meals Patty has been cookin' up. Make sure to stop by her country kitchen and grab a bite to eat and tell her just how

awesome she is for making all the great food!

Last words.....

My goal is to make you and your child(ren) feel loved, supported, and

important. If there is anything, no matter how big or small that can make your experience better PLEASE don't hesitate to set up an appointment to talk.
